**On the request Principal of Dev Samaj Modern School No-2 ,Okhla (Sukhdev Vihar), New Delhi , On 17/07/2018 Evening I inspected the Site ie. Ground Floor, First Floor and Second Floor Building and found that the conditions of the building was safe & sound. The building was built on Colum /load bearing wall / Beams etc. I also found that at present there is no basic causes of failure i.e. water logging in the street and in drains or nearby of premises, dampness/leakage in roof etc.**
