

DEV SAMAJ MODERN SCHOOL

Nehru Nagar (New Delhi)

DSMS-2024

SEPTEMBER 2024

The religion of the Deva Dharma, discovered and taught by Bhagwan Devatma, is called one, True Science-Grounded Universal system of Religion. It is called so because it is based entirely and exclusively on the facts and laws of Nature.

Dear Children

Bill gates said "I failed in some subjects in exams but my friend passed in all. Now he is an engineer in Microsoft and I am the owner of Microsoft. If you are born poor, it is not your mistake but if you die poor it is your mistake."

Everything seems impossible until it is done. A little progress each day adds to the bigger positive result. Teachers and facilitators can open the door, but you must enter it yourself. Study hard in silence and success trumpets will make the victory howl. No matter if it seems impossible. No matter if it takes time, no matter if you have to stay up all night , just remember that the feeling of success is the best thing to experience in the world. Make sure you understand the value of being a life long learner and believe 100% in yourself to initiate and complete the task.

Best wishes!

**Dr. Manoj Madaan
Manager**

Dear Parents,

We firmly believe that the parents are the child's first and the most important teachers. Parents play a vital role in the education of their children. A large part of a child's active life is spent in the school. However, children get their emotional stability from their parents. It is the parent's attitude that the child absorbs and the interest and the time that parents invest in children, is crucial for their development. Kindly spend half an hour with your child and have a talk about his/her day at school. Encourage him/her to do his/her work regularly. Know your child--not just the homework they need to complete, but also the friends they make and the problem they face in school, school bus or at play. Try to create a sense of purpose in the children and be their friends.

We wish you all a very rewarding and successful experience at Dev Samaj Modern School, Nehru Nagar.

**Ms. Sushma Nandwani
Officiating Principal**

The School congratulates all the students on their outstanding achievement. Winning is a testament to perseverance and talent. May the success be just the beginning of an even more remarkable journey ahead !!!

EVENTS, WORKSHOPS AND SEMINARS

1. An Inter-house quiz competition for grade XII was held in April 2024 in the school amphitheatre. This event aimed to foster a spirit of healthy competition among the school houses, enhance the students' general knowledge on 'Lok Sabha Elections' and encourage teamwork. The competition was well attended by students, teachers and representatives from all the four houses.
2. A talent show, held in April 2024 in the school amphitheatre, showcased the diverse talents of students from grade X. The event provided a platform for students to display their artistic, musical and creative abilities. The talent show featured performances across various categories including music, dance etc. The success of the event suggested that such talent show should continue to be a staple of the school calendar with even more opportunities for students to shine in future edition.
3. 'Bag less days' is an initiative by CBSE, adopted by our school in order to promote a healthy, more engaging, and less stressful school environment. The approach encourages students to spend two days a week without heavy bags focusing more on recreational activities.
4. From April 2024 till August 2024, the school organized a variety of activities and workshops which aimed at enhancing students' overall development beyond the classroom. Clay modelling and flag making workshops were for grades VI and VII respectively. On 31st July 2024, two students from grade XI and a teacher attended a workshop on 'Photography as a career' organized by HT Media Pvt Ltd. Around 320 students went to watch a movie ' Inside Out' as a part of HT educational program. 'Best out of waste' exhibition was put up by students of grade XI to promote environmental awareness and creativity among students to encourage students to think creatively about recycling and upcycling items, turning waste into useful and aesthetically pleasing items. The school upholds its promise to offer a wide array of co-curricular activities to ensure the continued growth and development of students.
5. The 78th Independence Day was celebrated with great enthusiasm and patriotic fervour. The event commemorated India's freedom and honored the sacrifices of the freedom fighters. The school campus was adorned with tricolors and the atmosphere was charged with the sense of pride and natural unity as students, teachers and staff came together to celebrate the day. The day was dolled up more with the presence of our honorable chief guest. The independence day celebration was followed by the 'Investiture ceremony', a memorable and inspiring event that successfully instilled the values of leadership and responsibility in the newly appointed student council members. The head boy, Ansh Saini and the head girl, Yuvika Arora, along with other council members reflected the school's commitment to develop well rounded students who are prepared to take leadership roles both within and beyond the school.

EVENTS, WORKSHOPS AND SEMINARS

6. The eco club of the school has been actively involved in promoting environmental awareness and sustainability. The club initiatives aim to educate students about environmental issues and encourage ecofriendly practices and foster a sense of responsibility towards protecting the environment. The key activities, organised by the eco club from April 2024 to August 2024, include class presentation, poster making on 'Say no to plastic' and 'Global Warming', Nukkad Natak, PDF on environmental concerns shared with staff and students, display boards, campaigns etc.

7. To provide clarity, direction and structured approach to career planning, a career counselling session for the commerce students of grade XII was held on 3rd August 2024. It was conducted by ACCA Mr Yash Gupta, and CA Ms Manvi Gupta, both proud alumni of our school.

8. A workshop on role play was held on 3rd August 2024. Under the supervision and abled guidance of our respected Manoj sir, the event resonated volumes about the real time situations faced by teachers and students. It suggested the probable solutions anticipated to be adopted by the stakeholders.

9. A workshop on menstrual hygiene / personal hygiene was conducted in July 2024 for boys and girls separately. The event aimed to educate participants about the importance of menstrual hygiene, break the stigmas surrounding menstruation and provide practical knowledge on managing menstrual health. The workshop was attended by students of grades VI, VII and VIII. The expert, Ms Ankita sukhwan from global hunt, conducted and concluded the informative session on 'biological processes of menstruation'.

10. On 26 July 2024, students of grades VIII and IX visited Vikas publishing house, a renowned publication House in Sahibabad, Uttar Pradesh. The purpose of the visit was to provide students with an insight into the various processes involved in the publishing industry, from manuscript acquisition to the distribution of printed books. The curriculum helped the students in understanding the practical aspects of publishing. The teachers accompanied student were Ms. Komal Choudhary, Ms. Deepika Naudiyal and Mr. Hariom Sharma.

11. An in person t-Gelf workshop was organized by Ms Dinu Raheja on 30th April 2024 at t-Gelf office, Gurugram. The session emphasized on the formation of student companies and financial literacy among the children. The workshop was attended by Ms Komal Choudhary, PGT commerce, Dev Samaj Modern School, Nehru Nagar.
